PASSENGERS' LIST.

The Passenger Act, 1882.

District of the City of New York, Port of New York.

I, John Buddenseck Master of the FURNESSIA do solemnly, sincerely and truly declare that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the Passengers taken on board the said Vessel at Glasgow from which port said Vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the ages and sexes of those who died; also of the pieces of baggage of each alien passenger; and that, to the best of my knowledge and belief, no person is concealed on board said Vessel who is not mentioned in said List or Manifest, and no false answer has been made in order to induce the non-mention of any such alien passenger as to a protracted sojourn in this country. *So help me God.*

Sworn to this April 22 1889

before me Thos Dunn Deputy

John Buddenseck

I, John Thomas Worrall, Master of the R.M.S.
